VISIPAD® RECTANGULAR MARKER (11X6,5CM)

Self-adhesive, rectangular and flat, VisiPad weighs less than a traditional 6", takes up less space, but with the same overall surface area. The Hook and Hole feature allows VisiPad® to be hung. Compact, ultra light and ultra thin, the VisiPad® can be easily stored in pockets, pouches or kits. Its wide surface area allows for writing messages with traditional marking pen. Its self-adhesive backing allows for placement on patients, personnel, structures or windows. VisiPad® has a patented design to prevent accidental illumination.
